WA Secretary General

Dear President,

I would like to inform you about some decisions taken by the World Archery Europe Executive Board during the last meeting held on 15-16 November in Paris.

European Championships

- The Board allocated the European Youth Championships to the Archery Federation of Romania. The Championships will be held in Bucharest on 19-23 July 2016. Technical Delegate was appointed: Mrs Irena Rosa
- The Board fixed the dates for the European 3D Championships : 6-10 September 2016

European Grand Prix

The Board allocated the following Grand Prix in 2015 and 2016

- 2015: G.P. 2nd leg to the Archery Federation of Romania. The competition will be held on 21-25 June 2015.

As you already know, the first leg will be held in Marathon (Greece) on 24-28 March 2015 and it will be also the Quota Tournament for the European Games in Baku.

- 2016: GP 1st leg to the Bulgarian Archery Federation. The competition will be held in Sofia on 26-30 April 2016. Technical Delegate: Mr Hakan Cakiroglu
- G.P. 2nd leg to the Archery Federation of France. The competition will be held on 21-25 June in Riom. Technical Delegate: Mrs Evelyn Papadopoulou.

The WAE Executive Board decided to allow, also for 2015, Individual entries to the Grand Prix competitions.

It means that not only National Team archers can participate to a Grand Prix leg, but also Club archers can enter the event. This is a great opportunity for the Club archers to compete with top European archers in an international competition.

Please, inform all your Clubs and your archers about this possibility, and publish this information on your website.

European Clubteam Cup

The 2015 European Clubteams Cup will be held in Rennes (France) on 3-4 October 2015. The EB appointed Mr Patrick Lebeau, as WAE Technical Delegate.

The edition 2016 will be organized in Sofia (Bulgaria) on 1-2 October.

The winners will receive the following prize money:

- 1st place: 2000 €
- 2nd place: 1500 €
- 3rd place: 1000 €

This competition can be an exceptional tool of archery promotion in Europe. World Archery Europe strongly believes in such a competition and hopes that you too, dear President, might actively support this project even publishing the news on your website and advertising it among your Archery Clubs.

Furthermore I would like to inform you about some other decisions:

- Approved the Judges Commissions for WAE events 2015, proposed by the WAE Judges Committee. Approved also the organization of a Continental Judge Seminar which will be held in Sallanches (France) on 23-25 October 2015.
- Appointed by the Executive Board the Liaison between the WAE Board and the Judges Committee: Mrs Sabrina Steffens

Best regards

Marinella Pesciotti
WAE Secretary General
